Guy, you are an extraordinary positive force, in this world and the next. ‘You shone a light and we followed’.

Always calm, thoughtful, sensitive and generous. A listener, and when you spoke every word counted, significant, insightful and funny.

We all want to listen to you Guy. For all your exquisite intelligence nothing was too silly or immature, you were open to everything.

The greatest father I could have ever wished for. I always agreed with you.

Mama and I are the most fortunate woman in the world to have had you by our sides for so long.

Dignified and graceful from your first breath up until your last.
